1. This means the Anglican parish in which you live. If either of you does not live in the parish where the marriage is to take place, you must arrange for banns to be read in your own parish, and obtain a banns certificate.

2. If either of you will be under the age of 18 on the date of the wedding the consent of parents or guardians is required.
(For those who have been widowed, this does not apply)

3. If one or both of you has been divorced you can be married in church, but you will need to discuss this further with the priest.

4. Include the town, county and postcode. You must inform us if these addresses change before the wedding (so that the correct address is entered in the registers).

5. One person may complete this form on behalf of both.

6. At least seven days' notice is required before the first reading of banns. Banns must be read on three Sundays before the marriage.
