

Summary of Prices

First Aid & Manual Handling & Food Hygiene Courses 2009

I work as a mobile instructor undertaking training at the customer's premises using a meeting room or other suitable facilities provided by the customer. By this method I am able to make substantial cost saving compared to the large first aid training corporations. I pass these savings onto my customers. Travel expenses will be added at 40p per mile between South Bedfordshire and the training location.

<u>COURSES FOR INDIVIDUALS</u> (min 6 people)	<u>LENGTH</u>	<u>PRICE/HEAD</u>
HSE First Aid at Work (FAW)	24 hours	£200
HSE First Aid at Work Refresher	12 hours	£120
HSE Appointed Person Certificate	4 hours	£ 46
HSE Defibrillator training with F/A course	3 hours	£ 32
HSE Defibrillator training course	4 hours	£ 46
Infant Resuscitation added to FAW	2 hours	£ 14
Paediatric First Aid (Children & Babies)		
- Foundation	6 hours	£ 58
- Full course	12 hours	£ 117
Manual Handling (HSE Recommended)	4 hours	£ 46
Food Hygiene	6 hours	£ 63

Please note the following conditions apply to the above prices:

- There is a minimum of 6 candidates on all courses or paid as if
- The customer provides a suitable room for training
- Prices may alter with rise in prices of HSE material (HSE courses are indicated in the title line)

COURSES FOR LARGE GROUPS (6 to 12 people)

Further discounts are available for large groups of over 6 people up to a maximum group size of 12 people.

The price quoted includes VAT but not petrol. That will be charged at 40p per mile between South Bedfordshire and the training location.
