Our Cottages

On the edge of picturesque Lympsham, Hope Farm dates back to the mid 16th Century. The four holiday cottages have been sympathetically converted from the old farmyard outbuildings and have views across the pretty lawned courtyard and open fields behind. Each cottage has tasteful and relaxing accommodation for four people and a baby, with an open plan living room/kitchen, two bedrooms (one with a double bed and one with twin beds) and two bathrooms. A Z bed is available for a fifth person. All the cottages are on the ground floor and have easy wheelchair access throughout. Front door ramps and other aids for the elderly or disabled are available and a wheelchair can be hired.

The cottages and the games room are non-smoking.

We welcome a well-behaved dog into each cottage, by prior arrangement.
